

## **StATUSA (Stand Against Trafficking USA)**

**StAT is a program dedicated to helping victims of sexual exploitation and human trafficking.**

**Although there are multiple ways to support this ministry, at this time they are in need of volunteers who would be willing to take the residents on fun activities. These activities could include, but are not limited to, trips to a pet shelter, bowling, movies, festivals, hikes, walks on the beach, etc. Funding, transportation, and approval from StAT would need to be included.**

**Monetary support is also welcome. It costs approximately \$100/week to shelter each woman. Gift cards for food, money to pay electric bill, etc. Checks can be made payable to StATUSA.**

**For more information, please contact Ardith Shaw at [shawardith@gmail.com](mailto:shawardith@gmail.com).**
